- DUNS information needs to be correct and current
- Most recently filed business Federal tax return (to ensure accurate TIN/EIN information)
- Business bank account information, including routing and account numbers
- Laptop to access SAM.gov

Workshop Benefits:

- ⇒ Learn about getting registered on SAM and maintaining your registration
- ⇒ Walk you thru the entire SAM registration process
- ⇒ One-on-one consulting to help you accurately complete all SAM sections, including Representations & Certifications
- ⇒ Get one-on-one assistance during the registration process and after (if there are additional questions about your SAM registration)
